
Clinton Township Environmental Commission

2022 Annual Report
&
2023 Goals

Mario Caballero, chair

08-Feb-2023

Mission

The Clinton Township Environmental Commission seeks to protect and improve the quality of our land, water, air, flora and fauna by advising Clinton Township on actions and policies of sustainability and environmental protection. Through education and outreach, the Commission seeks to inspire our community to incorporate environmentally responsible practices in their daily lives.
